

**TOTAL PRIVACY AND NO TRAVELING BACK AND FORTH TO A MOTEL.** Half the size, but twice the fun. This Spring we once again expect a sell-out crowd but this time in a much smaller, more intimate, more luxurious Resort Hotel. You can dress up and play all weekend long and no one will disturb your fun. Add to that a hotel staff that knows about and fully approves of the kind of party we are holding, NO outsiders to disturb, along with the no pressure atmosphere we have become famous for at our fetish and spanking only parties. Don't miss this non-stop full-out wild Spanking Only or BDSM/Fetish filled weekend long Party! No lectures, No workshops just 24hr/day non stop fun. All the quality of a world class resort weekend plus a first class weekend long party with separate areas for BDSM/Fetish play and for Spanking Only participants added. **Not just a hotel but a full blown luxury Poconos Resort.**

If you missed the fall party ask someone who attended and find out what you missed and most important make sure you don't miss out on this one.

### **What makes the Carter Stevens party weekends different?**

The Carter Stevens party weekends are famous for being just party weekends. No demos, no workshops, no "slave auctions", and above all no bullshit. Just a 24 hr round the clock non-stop resort party weekend.

Total use of all the resort facilities, indoor swimming pool and hot tub (clothing optional) and a well equipped dungeon and a separate spanking only area available 24 hrs a day. But most of all, a friendly no pressure party atmosphere, a place to make new friends, see old friends, and play together or undisturbed by others.

**The most famous resort party weekends in the BDSM/Fetish and Spanking only scenes, now in our 15th year bigger then ever and combined in a single weekend.**

Last fall we moved our party to a to a smaller but much newer resort. For this Spring we are going to continue to combine the Fetish Fling and the Spanking Only parties into the same weekend. The spankers will continue to have their own private area for spanking only play (We have set aside one of the lovely Enchanted cottages just for Spanking Play) and everyone is welcome to use the two seperate dungeon areas. With over 30 private acres in the middle of the woods, a gorgeous indoor swimming pool with 8 person spa and sauna, GIANT size rooms each with its own 2 person jacuzzi, microwave, fridge, color TV (all with their own VCR), fireplace, private porch and most rooms with king size beds. This spot is perfect for our weekend getaways, a party attendees dream come true. Of course the entire resort will be closed to the public so we will all have complete privacy for our play. Not just some rooms but as usual the entire Hotel is ours for the weekend. Total privacy in the main rooms, Night club, hallways, indoor swimming pool, and even outdoors on the 30+ private acres of Hotel grounds. Add to that the fact that it is a first class Poconos Resort, completely renovated in 2003 and it all adds up to what promises to be one of our best weekends ever.
